SPOTLIGHT ON NEI LINKS

The Dooleys

Scott and Gail Dooley are global missionaries for the Church of the Nazarene in Papua New Guinea.

Kudjip Nazarene Hospital is where the Dooleys work, live, and minister. Kudjip is a 100 bed hospital that each year sees over 50,000 patients in outpatient clinic and over 4,000 in-patients. Scott works alongside six other missionary doctors and fully national staff of nurses.

**Have you corresponded with your LINKS missionaries?
Please continue to lift them to the Lord in prayer.**

We are so grateful for your prayers.

Please Note

Following the recent resignation of NMI Secretary Heidi Finney, we are pleased to announce the appointment of Julie Zehr to fill the position. Julie graduated from Olivet Nazarene University and worked in the Office of Alumni Relations at ONU for several years. Three years ago she and her husband, Brad, returned to the Fort Wayne area. She is currently a stay-at-home mother of two children, Andrew and Allie. The Zehr family lives in Spencerville and attends Grace Point Church of the Nazarene where Julie is involved in the choir. For the past two years she has served as NMI Fort Wayne Zone Director. Her

hobbies include scrapbooking and gardening. Her address is: 17827 N. SR 1, Spencerville, IN 46788. Her phone number is 260-627-4180 and her email, brad.zehr@mchsi.com

Former NMI Secretary Heidi Finney writes, "I'm so excited that Julie is the new secretary! I will get with her and give her everything before the first meeting. I did talk to her and it was very encouraging to hear how God had been preparing her for this before I made my decision. Isn't God awesome?! It just helps me to know that I did make the right decision. It was a very hard one for me to make.

Looking forward to what God has planned for NMI!"

Thank you, Heidi, for all your work over the past three years. We love and appreciate you and will keep you in our prayers.

Missionary Reading Books Available

Is your church unable to purchase the missionary reading books? If so, we have last year's sets in book or CD form and you may borrow them. Any missionary books that were not read and counted from years past may be read and counted for the current year. If interested, contact Luanne Frank at 260-589-3410 or mlfrank@adamswells.com
