# GOL 2010

**GOL** is a creative outreach strategy targeted to children, youth, and adults. Soccer camps will be held globally with the intent of reaching the lost for Jesus. The camps coincide with the World Cup soccer event being hosted in South Africa in June and July 2010. The attention of the world is focused on the World Cup as “futbol” is the most popular sport worldwide. **GOL** is a widely understood sport term meaning to score. Soccer camps will feature the **GOL** evangelism soccer ball and the JESUS Film. This event provides the church a great opportunity to tell the story of Christ to children, youth, and adults in a creative outreach setting.

**GOL to reach the lost!**

# One Team One Goal

**It's a first  
and we are excited!**

NMI, SSDMI, and NYI  
are coming together to

celebrate on  
June 12, 2010  
at 1:00 in the afternoon.

**Note:** Since locker room talks will be for specific ministries, it is important that you elect delegates for each ministry—not one for all.

# Share it!

Nazarene churches and districts are invited to host soccer camps through 2010. The soccer camp center-piece is a soccer ball with multi colors which correlate to important aspects in the Gospel story.

**Black**—sin/spiritual darkness

**Red**—Christ's blood

**White**—the cleansing power

**Gold**—God

**Green**—growth as new believers

Participants will take home a mini version of the ball in the form of a hacky sack.

The day will be filled with soccer and the evening will be conclude with a showing of the JESUS Film. The final outcome of the day will be praying the salvation prayer with those who don't know Jesus. The **GOL** is that many will leave the soccer camp as new believers in Christ and will be trained to use the hacky sack to go out and share Jesus with others. There will be follow-up by local churches.
