# NEI District Work & Witness Team Reflections

"It's amazing how God works:

- Putting us in a different hotel to touch the life of a hearing-impaired child and her family.
- Delaying our van to the market, allowing us to meet Humberto and encourage him to surrender his life to the Lord and attend church. There were many other ways that we first thought were an inconvenience, but they turned out for the good of His Kingdom."

"There was an immediate bonding of the team to the new members and to the people of Nicaragua."

—Team member quotes

"Kids! Kids! Kids! I loved playing with the kids, doing VBS, and singing songs with them. They are so precious!"

"When we reach out to bless the lives of others, our lives are blessed as well. Service and sacrifice open the windows of heaven, allowing choice blessings to descend upon us. Surely our beloved Heavenly Father smiles upon those who care for the least of His children."

## Thank you for praying!

- This was a life-changing experience for every participant.
- God granted health and safety during flights, travels and work.
- The language differences did not prevent communication.
- The team worked well together and they were a witness and encouragement to the people.
- Each participant stood in awe as they realized God had chosen them to answer the prayers of His people in Nicaragua.

# Get in the Game

The attention of the world is focused on the Soccer World Cup. Soccer is the most popular sport worldwide and we're gearing up for an exciting time on June 12, 2010 in the soccer arena at the NMI Convention. GOL is a widely understood sports term meaning "to score" and we're planning to score big time! So start practicing and get in the game.
